OFFICE OF PETITIONS

ON PETITION

This is a decision on the petition under 37 CFR 1.173(b), filed May 9, 2005, to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to reply within the meaning of 37 CFR 1.113 in a timely manner to the final Office action mailed October 4, 2004, which set a shortened statutory period for reply of three (3) months. A reply under 37 CFR 1.113 is limited to an amendment that *prima facie* places the application in condition for allowance or a Notice of Appeal (and appeal fee required by 37 CFR 1.17(b)). The amendment submitted on April 6, 2005, did not *prima facie* place the application in condition for allowance as noted in the Advisory Action mailed April 15, 2005. Therefore, as no Notice of Appeal (and appeal fee), Request for Continued Examination (RCE) or a continuing application was timely filed, extension of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned on April 5, 2005.

The petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that (1) the reply in the form of a Request for Continued Examination (RCE); (2) the petition fee; and (3) the required statement of unintentional delay have been received. Accordingly, the reply to the final Office action of October 4, 2004 is accepted as having been unintentionally delayed.

Telephone inquiries concerning this decision should be directed to Wan Laymon at (571) 272-3220.

This matter is being referred to Technology Center AU 1773 for processing of the RCE and for consideration of the Amendment filed May 9, 2005.
